

Event planning project - Draft wireframes

Start page (on load)

The diagram illustrates a web page layout with the following components:

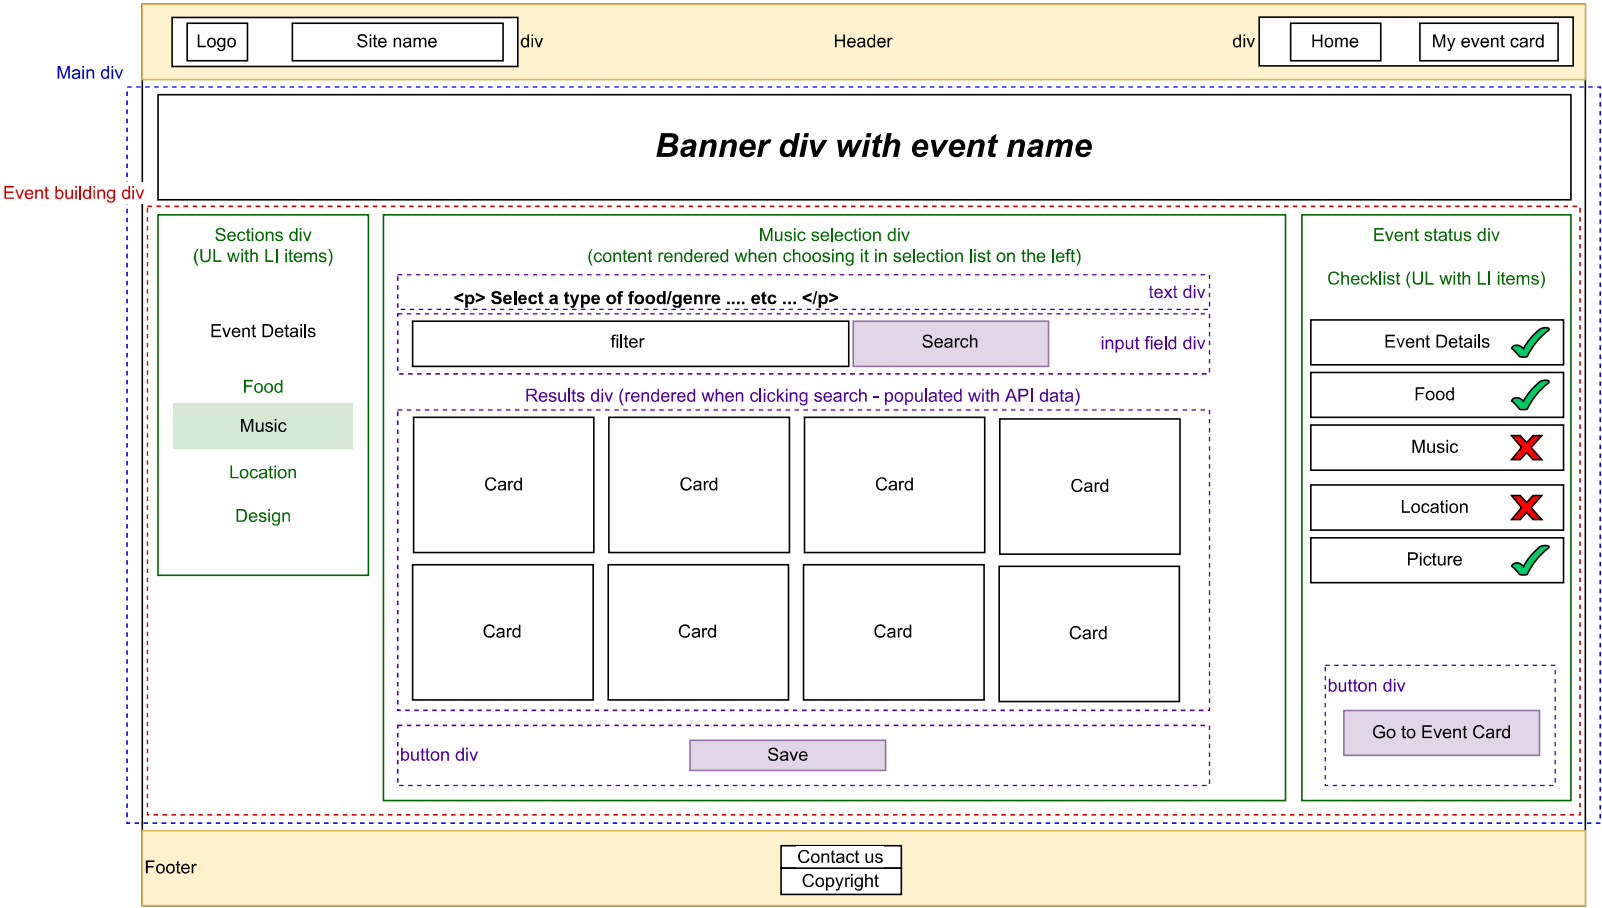

- Header:** Contains a `div` with a `Logo` and `Site name`, and another `div` with `Home` and `My event card` links.
- Main div:** The main content area, divided into two columns.
 - Left Column:**
 - Banner div:** A large white rectangular area.
 - New event div:** Contains the text `<p> Create a new event card - General introduction message </p>`, a text input field with the placeholder `Give your event a name to get started`, and a `Start` button.
 - Start page div:** A dashed blue box on the left side of the main div.
 - Right Column:**
 - Existing event div:** Contains the text `Or returning to continue with an existing event?`, a text input field with the placeholder `Choose the event to continue`, and a `Continue` button.
- Footer:** Contains `Contact us` and `Copyright` links.

Selection page (rendered with start button click)

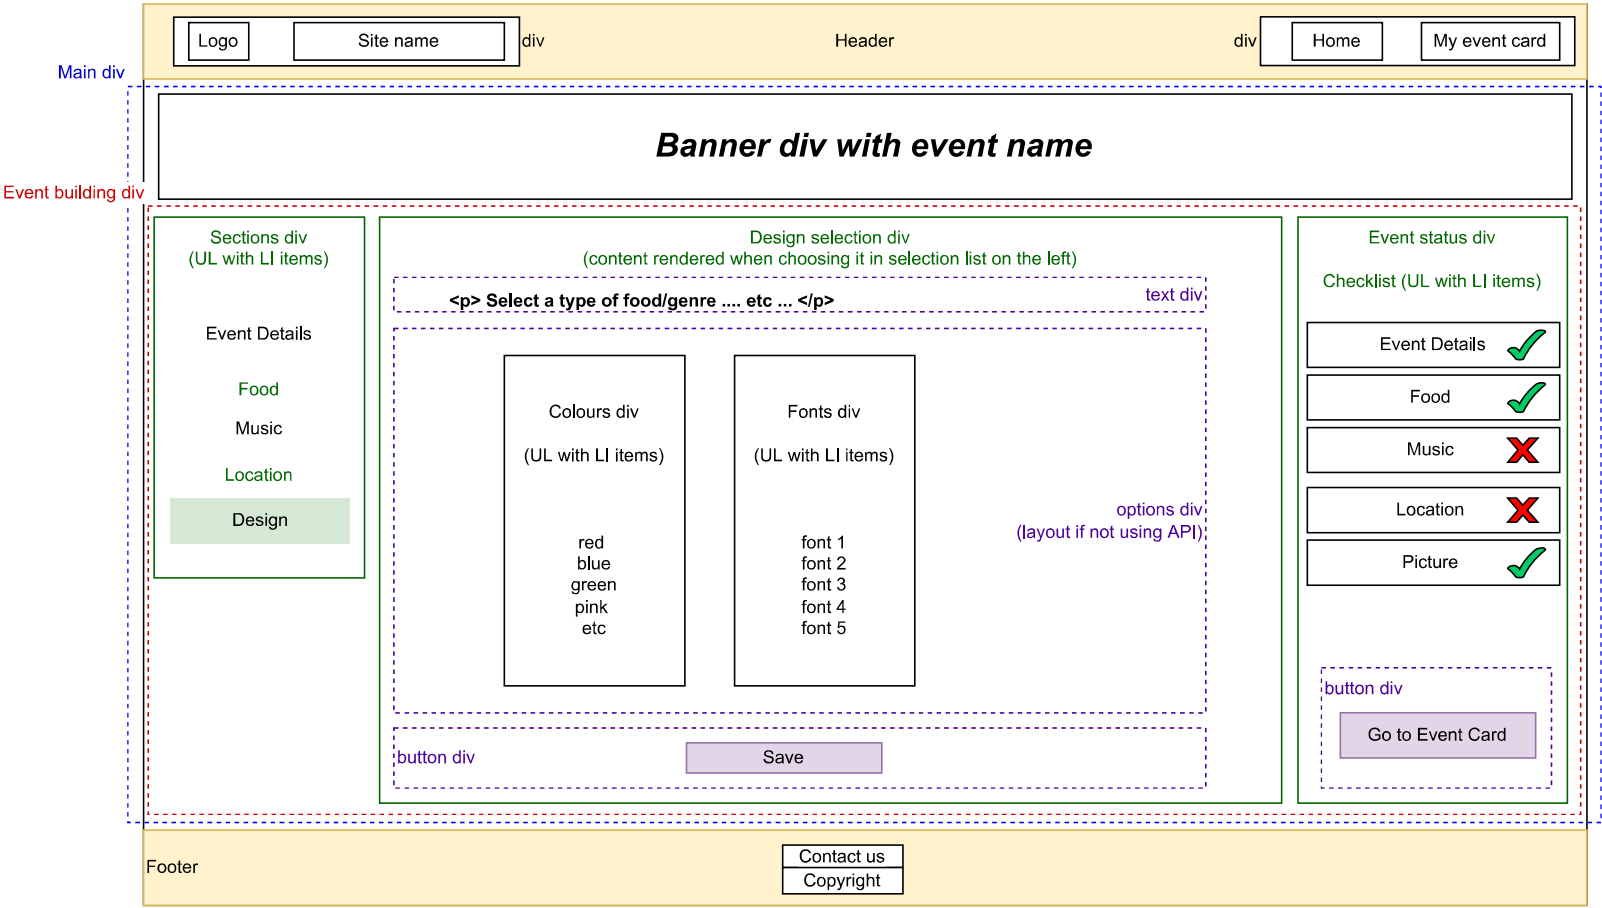

The diagram illustrates a web page layout for building an event, organized into several key sections:

- Header:** Contains navigation elements including "Logo", "Site name", "Header", "div", "Home", and "My event card".
- Main div:** The central content area, highlighted by a blue dashed line, containing:
 - Banner div with event name:** A large section at the top of the main content area.
 - Sections div (UL with LI items):** A sidebar on the left containing "Event Details", "Food", "Music", "Location", and "Design".
 - Event details div:** The central form area, highlighted by a green dashed line, containing:
 - form div:** A section for adding event details, containing:
 - Fields for "Event Organiser", "Organiser's email", "Event Date", and "Event location".
 - A large "text field for event description".
 - A "Picture upload (maybe)" button.
 - A "Save" button.
 - Event status div:** A sidebar on the right containing a "Checklist (UL with LI items)" with items: "Event Details" (checked), "Food" (checked), "Music" (unchecked), "Location" (unchecked), and "Picture" (checked).
 - button div:** A section containing a "Go to Event Card" button.
- Footer:** Contains "Contact us" and "Copyright" links.
